Dear Lake Residents,

As you come back to your Wakefield summer homes, first let me just say **WELCOME!** We are glad you are here and part of our wonderful town community. I am sure many of you have questions about our business and town openings as well as schedules. The following are some links and tips to help guide you, as you look to register your dog or boat etc. or are looking to go out to eat or perhaps play a round of golf.

- **Wakefield Town Hall.** As of this writing we are closed to the public, however we are conducting all town business with a "box" system for each department. At 9 AM Mon-Fri we have the connector hallway open (between the Gafney Library and Town Hall). Inside you will see a box marked for each department where all business can be conducted and registrations and licenses can be mailed back to you or you can pick them up even the same day. We strongly suggest calling the town hall first to speak to the department you need for further instructions Our number is **603-522-6205**, and you will be prompted to the correct department.
- **Wakefield Restaurants.** Each restaurant owner determines how they will open, but as of this writing Restaurants can open per the Governors Stay at Home 2.0 order, which allows take out and outside dining only. We are in hopes that in June we will see some ability for restaurants to open with limited inside serving, but we do not know for certain.
- **Grocery stores.** gas stations and retail in town also fall under the Stay at Home 2.0 order and again, as with all business in town we suggest calling ahead to find out specific policies for each operation.
- **Transfer Station.** Although very busy, the Transfer Station is open with the same hours, Friday through Mon 8-3. Per our Covid-19 Policy, we are keeping contact with our staff and the public at the absolute minimum and we ask that you read and follow directions of the signs and staff.
- **Parks and Rec.** Sadly this department is closed for the summer, and all programs have been canceled. Discussions for opening our town beach are ongoing.
- **Libraries.** Still closed as of this date, but we encourage you to visit their website they are also a great resource for many things in town. <http://www.gafneylibrary.org/>
- **Golf.** This is the tough one....Province Lake Golf is now open, however they are open to members and Maine Residents only. (The actual Golf Course is located in Maine) Again, I am hoping this changes in June but we will have to wait and see.
- **It is also suggested by the state of New Hampshire, that anyone from out of state self-quarantine for 14 days once back in town.**

Here are some great Links to find more Information for any questions you might have.
